

We offer De Oiled Rice Bran, which is procured from the reliable vendors of the market. The product offered by us is highly demanded in the market worldwide for its purity and freshness. Our vendors obtain this De Oiled Rice Brans by milling organically cultivated high quality parboiled rice. The entire process is supervised by their expert cultivators to make sure the crops are free from any pest attack. Further, we properly oversee the entire procurement process to ensure the obtained range is free from any kind of adulteration.

DORB is widely used in the manufacture of :

1. Cattle feed
2. Poultry feed
3. Fish feed
4. As fuel for boilers, and power plants
